

**NASHVILLE TENNESSEE'S ANNUAL
PEACE FEST
June 26, 2010**

Nashville Peace Coalition, Nashville Peace & Justice Center, EarthMatters, Code Pink, PeaceRoots Alliance, and many others invite you to be at the Band shell in Centennial Park at 2598 West End Avenue, Nashville, TN. Now more than ever we need peace and justice.

Many fine artists will be joining us for dancing, music, poetry, rock & roll, hip hop, bluegrass, arts, crafts, vendors, food and a closing jam. Distinguished Civil Rights teacher and leader, James Lawson will inspire us all and Nobel Prize nominee and internationally celebrated Peace Mom, Cindy Sheehan, will bring "Peace of the Action" to Tennessee.

The organizers of the Peace Fest would like to offer you the opportunity to support the event and reach out to the community creatively. On Friday evening a Peace Supper/fundraiser held at the Nashville Friends Meeting House will give an opportunity to meet and talk with some of the major celebrities and artists who will be giving a free concert in the park on Saturday.
